For clarification purposes, part of a student's grade is lesson attendance. It's understood that students should stay in their respective classes for tests, major reviews, failing a class, etc. It is the responsibility of the student to reschedule and make up their lesson with the music teacher as well as make-up any class work missed due to lessons. Also, if you need to get in touch with me, you can call me at extension 11127 not 11126.
