**Celebration of Sound:** Food is the current area in desperate need of co-chairs. It brings in over \$5,000 to the band and if no parent(s) step up we will lose this money and have to go to a Plan B which will bring in money but our children will not be fed a nice meal and we will probably have to increase the band assessment next year.

Before that Weekend: Permit help, calling for donations, sell ads for the booklet and much more...

Friday After School: Tents, grills, garbage cans and recycling and propane tanks arrive. Food arrives and need to put it in freezers, refrigerators, etc...
